Feb 22 (I think)
Somewhere in Germany.

My Darling Wife,

Honey I received fine letters from you yesterday. Sweetheart they sure were swell, I love to get letters from you, because I love you. Honey I have been on the go so fast and long that I don't know if or when it was that I wrote you last. I try to write you every day, but sometimes I just don't get around to it.

Honey your letters were so sweet and they are very long, I love them that way. I sure do enjoy reading your thoughts. I don't know what I would do without them. Someday maybe I can tell you just how much they have meant. How a fellow looks forward, with a glint in his eye, for mail from home. If he gets a letter he is in pretty good spirits for awhile, if he doesn't you better keep out of his way. Darling I received my letters from you right before last and I am just now finished reading them. I have really been on the go. I haven't shaved or washed my face in three days now. Boy am I ever dirty. I'll bet you wouldn't know me if you met me on the street.

Darling I sure wish I could have been home while you were sick. I would like to have been with you and also I might have been able to comfort you in some small ways. I would like to bring you flowers and visit you. I sure would like to see Daisy with a shame. Ha. "I'd just like to see Daisy".

Darling I miss you very much. I am just waiting and hoping for the day to come soon when we can come home and be with our love ones for the rest of our lives. Darling we are still going to have our ranch and beautiful home. But best of all we will have each other. Honey you mean more to me than anything else in the world. Darling I was awfully sorry to hear about the twins but I can't be helped now. Honey we can have just as many children as we want when I get home. I would like two or three anyway.

The weather is really pretty today. Sunshine and all. It really makes me homesick. Honey I can hardly wait till all this mess is over so I can come home to you. Oh yes! I knew there was something else I wanted to tell you. I got a long letter from your mother, explaining about the babies. She said she was almost afraid to mention it for fear that her letter would hurt you here. But it didn't. I still haven't received the one you said you explained everything in. But perhaps I will get it soon.

I guess I'll close for now and write more tonight. If we can have a small light.

I Love you Darling
Geehin

Honey I am going to start writing again, I don't know
how far I am going to get. Everytime I start to write I
have to quit to do something else. I don't know
what I am doing half of the time.

Honey you must have had a terrible time of all
this business. You certainly have my deepest sympathy.
I only wish I could have taken all the pain for you.
You know I sure would if I could. I'm a tough lad.
You & suppose mom is disappointed about the
babies but if they feel bad, just think what we have
lost. But Darling lost too the future and pray that
we can make it all up someday.

It was very nice of Bob to make you a cake. I
wish I could have been there. I like cake too. He
I'm sure glad you have a good Doctor, if
you take care of yourself and if he knows his business.
We can have all the children we want someday.
And if he does my wife any harm he sure better
leave the country, Cause I'll get him when I get home.
But if he takes good care of you Honey, I'll be his friend
forever. Tell him that will you. if you ever see
him after you get this letter. I hope you are in
Texas by now. I have been sending my letters
there for about a week.

Honey I am glad you got yourself a good Room
in the Hospital. I know you couldn't have much
comfort if you didn't. You see I am an old hand
in Hospitals. So I don't care if it cost \$5.50 instead
of \$3.50, if it helped you. Your all I have
Honey, and I sure want you to have everything
that you can. I'm in love with you Honey.

As you know that.

I got a letter from Mozelle yesterday. She

didn't have much to say, except how all the
folks are and mostly about Ed. She sent me a
snapshot of you, that was taken Christmas. It
is faded but I sure was glad to get it. I am
really looking forward to receiving a big picture of
you. Your very Honey.

I'm sure glad Bill is getting to come home
I bet he is a proud sailor. I'd like to see
him and Rosie. Yes, I too, hope they have better
~~luck~~ luck than we did. But Darling we must
quit grieving over our losses. Try to forget
Darling. I know it is hard but we must forget.
It is getting dark and we can't see light so
I am going to close. These letters ~~are~~
you yesterday were written Feb 7, I had two
of the 9th. I sure thank you for the
Stamps Honey. I have me a new tablet
now, and I can write all I want to. If
I had time.

Darling take care yourself and follow the
doctors orders. You take care of Daisy now
and all help you when I get home to
Honey I love you more than anyone in
the world. You are my only Darling and
I am all yours forever and ever
"Good night Darling!"
Over
I Love you
your Hubby Bob
